PRESS RELEASE – For Immediate Release

WOODLANDS TOUR 2002
“The forest...At the heart of our future...”

Corner Brook, July 19, 2002 - Corner Brook Pulp and Paper Limited invites the public to attend Woodlands Tour 2002. Come and bring your family for a day of fun and learning. During July 28-August 3, Corner Brook Pulp and Paper Woodlands will host the public to a demonstration of integrated forest management in Western Newfoundland.

The tour site is at Logger’s School Road just west of Corner Brook. The six-hour Tour includes demonstrations on all aspects of the Company’s operations. Individual demonstration sites show natural forest regeneration, pre-commercial thinning, road building, pulpwood trucking, as well as conventional and mechanical harvesting systems.

Tours begin at the Human Resources building across from the mill in Corner Brook. After a brief introduction, guests will board air-conditioned buses and head for the woods. Tours are guided by Woodlands employees and the Shriners will serve up a hot lunch. Reservations are required. Simply call Marilyn at 637-3104 to make your reservation – we’ll be happy to answer any questions you may have about the tour.

Corner Brook Pulp and Paper Limited became part of the Kruger Organization in 1984. The company produces high-quality standard newsprint for an international customer base, delivering quality newsprint to major ports on the eastern seaboard of North America, and to key ports in Europe, Asia and Latin America.

Kruger Inc. and its subsidiaries share and support a sustainable and integrated approach to forest management which enables economic development that respects environmental, social and cultural values.
