**KRUGER INC. TO CURTAIL DIRECTORY PAPER PRODUCTION  
TEMPORARILY AT ITS WAYAGAMACK MILL**

**Montréal, Québec, November 27, 2009** – Kruger Inc. today announced that it will interrupt production on paper machine number 3 at its Wayagamack Mill in Trois-Rivières for a period of two months starting December 23, 2009. The Company came to this decision because of the high value of the Canadian dollar and because of the weak demand for directory paper.

This temporary curtailment will affect approximately 100 employees. The Mill plans to restart machine number 3 on February 23, 2010.

Founded in 1904, Kruger Inc. is a major producer of publication papers, tissue, lumber and other wood products, corrugated cartons from recycled fibres, green and renewable energy and wines and spirits.
