**KRUGER INC. RESTARTS COATED PAPER PRODUCTION AT ITS  
WAYAGAMACK MILL AFTER AN EIGHT-DAY HALT**

**Montréal, Québec, April 7, 2011** – Kruger Inc. announced today that it has resumed coated paper production at its Wayagamack Mill in Trois-Rivières. Production had been interrupted from March 28 to April 5. The eight-day shutdown reduced the mill's total coated paper production by 6,000 tonnes.

Founded in 1904, Kruger Inc. is a major producer of publication papers, tissue, lumber and other wood products, corrugated cartons from recycled fibres, green and renewable energy and wines and spirits. The Company is also a leader in paper and paperboard recycling in North America. Kruger operates facilities in Quebec, Ontario, British Columbia, Newfoundland and Labrador and the United States.
