PricewaterhouseCoopers LLP has assessed whether the management system at

Kruger inc.

3285, chemin Bedford, Montréal (Québec) Canada H3S 1G5

is suitably designed to provide reasonable assurance that the requirements of the standard noted below (the Requirements) have been met, as of July 14, 2008.

PricewaterhouseCoopers Independent Chain of Custody Standard™: 2005 (PwC-ICoC™:2005)

Management is responsible for ensuring the Chain of Custody management system meets the Requirements. Our responsibility is limited to expressing an opinion as to whether the Requirements were met, based on our assessment. The PwC-ICoC™:2005 Standard can be found at www.pwc.com/fpp/icoc.

Our assessment was conducted in accordance with the *International Standard on Assurance Engagements (ISAE) 3000* and, accordingly, included examining, on a sample basis, evidence supporting management's assertion that the Requirements were met and performing such other procedures as we considered necessary in the circumstances. We planned and performed our work in order to obtain reasonable, rather than absolute, assurance with respect to the information examined. We believe our work provides a reasonable basis for our opinion.

In our opinion, the management system was suitably designed to provide reasonable assurance that the Requirements were met, in all material respects, as of July 14, 2008.
