

## Kruger Wayagamack Mill

**Île-de-la-Potherie**  
**Trois-Rivières, Québec, Canada**  
**G9A 5E9**

**Phone: 819 373-9230**

**Fax: 819 373-9370**

Kruger Inc. acquired the Wayagamack Mill in 2001, in partnership with the *Société générale de financement* (SGF Rexfor).

In addition to coated paper, the Kruger Wayagamack Mill produces kraft and groundwood pulp, both for its own needs and to supply the Trois-Rivières Mill.

The mill also has a secondary effluent treatment system to ensure its compliance with environmental laws and regulations.
