

**Calgary**

Alberta

Manufacturing – West Region

**Certification**

2004 - Scott Paper Limited, Western Manufacturing Division undertakes the ISO 9001:2001 certification process of its quality management system.

In June 2000 Kruger Products opened a converting facility in Calgary, Alberta, which is an operating division of the New Westminster mill.

Currently in place is a 90" bathroom tissue winder that supplies Kruger Products Trademark brands to Prairie customers.

Future growth of this operation will include additional bathroom tissue production, towels and facial tissue.
