Québec

Manufacturing – East Region

Crabtree Mill
70 000 MT/year

Sherbrooke Mill
80 000 MT/year

The Kruger Products mill located in Crabtree in the Lanaudière region of Québec, and the mill in Sherbrooke, in the Eastern Townships of Québec, are part of the Kruger Products Limited Manufacturing – East Region Division.

A large range of domestic and industrial tissue products are manufactured at the Crabtree and Sherbrooke mills. Best known among these products are Cashmere[®], Scotties[®], SpongeTowels[®], White Swan[®] and Purex[®].

In addition to its four paper machines, the Crabtree mill has a deinking and recycling paper mill, a converting facility and shipping facilities. The Sherbrooke mill has one paper machine and storage facilities. This mill's paper is used in finished products at Crabtree.
